

Keristrasza

Keristrasza wants you to speak to her when you are ready to prepare for a confrontation with Malgos.

If you lose your Augmented Arcane Prison, speak to Raelorasz at the Transitus Shield.

Relevant Locations

The entirety of this quest happens in **Borean Tundra**.

Description

I am... free?

I was destined to spend an eternity roaming an empty abyss, and now am saved? You cannot fathom my gratitude, mortal.

When I refused to bend to his will Malgos bound me to that prison, then shattered it and scattered the pieces. Should I live one hundred of your lifetimes, I shall not forget this kindness.

Perhaps, in time, I will find ways to repay you. For now, though, we must focus our attention on Malgos. I am weak, and there is much to be done.

I need your help, <name>.

Keristrasza is not always there. Use the Augmented Arcane Prison to summon her. If you lost the item ask Raelorasz to give you another one.

1 I had a problem where Raelorasz gave me Cuffs of Gratitude instead of the Augmented Arcane Prison, I found if you sold the cuffs (or whatever it was) he gave you and asked again, he'll give you the prison.

29 Requires the completion of https://www.wowhead.com/wotlk/quest=11943 first, to obtain the item that will summon Keristrasza

1 The item to start the chain of quests that rewards a blue rare cape when Keristrasza is slain is called Scintillating Fragment and begins the quest Puzzling...

When summoning Keristrasza using the Augmented Arcane Prison, check your map location - you need to be specifically in Coldarra (or the Transitus Shield). Trying to use this too close to the Nexus will earn you a frustratingly unclear error message.

2 I used the Arcane Prison whilst in the area marked as 'The Nexus' and didn't have any problems. Also, this does count towards Nothing Boring About Borean.

To activate, click on the item he gives you
[Augmented Arcane Prison]

Subject: "summon"
Took me awhile to figure this out
She's a summoned mob (similar to the Archmage in Netherstorm). Once you've completed the appropriate questline, you will receive an item in your bags that can summon her. Here's the start of the questline:
! Puzzling... the Archmage in Netherstorm, you can start and complete quests from her even if someone else spawned her. If you see her just wandering around, it's because someone else spawned her. If you lose the item needed to summon her, you can talk to a guy at the Transitus Shield to get a new one. (He won't give you a new one if you already have it in your bags, though, and of course he won't give you a new one if you haven't done the required questline.)

It seems that she can despawn. I was reading the next quest info before I accepted it and she disappeared.

At this moment, november 16 2008, the complete questline shows up as Alliance only.
With just completing it, I can confirm the complete questline is for horde as well, so it's for both sides. My Wowhead client just upladed fresh data, so I hope it will show up soon.
The complete questline is solo-able too.
Except for the last part where you need to enter the Nexus.:)

Also gives 10 reputation with The Wyrmmrest Accord.

What the hell.
"Oh, you lost yours? Here's another"
"You mean I don't need to go get the pieces?"
"Nope"
"Couldn't you have just given me that initially then?"
"..."
Granted, this applies to just about every other "You lost this? Oh, I've got another here for you." replacement chats, but whatever.
