Description

Orcs... they just don't lissen <hic>. Know what I mean, <race>?

Kurzel's been with us fer years. You'd think she'd get a feel fer how we do things by now. Lure the fools in fer the dangerous work, then reap the rewards when it's safe. What's so hard to understand?

Not her though... she goes off and takes matters into her own hands. Probably dead by now, but I'd feel horrible if we didn't follow after her, and I'm in no shape to do it myself <hic>.

So whatdya say, pal?

Completion
