Description

In my peoples' struggle against the forces of the undead, they dug deeper as they lost ground. In desperation, they dug too deep.

We inadvertently exposed a tendril of the old god's will, which was made manifest in the creatures known only as the Faceless.

In the end, we could not fight on two fronts against such powerful enemies. Our misfortune cost us the war against the undead, and ultimately, our home.

Enter Ahn'kahet, <class>, and cleanse our former home of these Faceless atrocities.
