Description

Watch yerself, mon.

Drakuru shrunk more <race> heads than I can remember - and even if I could remember, I couldn't count that high. Lucky for you I be stuck in dis cage or I'd be addin' one more to da list.

But things bein' what they are, mebbe we be puttin' our differences aside fer a time, eh?

Drakuru know things, mon. Things that will aid you in your struggle here.

<Drakuru cuts the palm of his hand on one of his tusks and extends it through the cage.>

So, what you say, mon... truce?

You have to do Filling the Cages to open this quest.

Real easy quest.

Just right click the dagger in the tree stump next to the cage, then "use" it to cut your hand, talk to Drakuru afterwards and you have the option to shake on a truce.

I can't click the dagger. I can see it, but it's not "clickable". Can trhe quest have become bugged?

These are quest strings that open up and lead to quests inside the instance:

strings start at 73

Good Troll Hunting opens up after completing My Enemy's Friend
In order to open that quest up you have to complete "The Thane of Voldrune" - https://www.wowhead.com/wotlk/quest=12259
(which is the end of the Voldrune three part line)

start with Good Troll Hunting (from Sergeant Thurkin, Conquest Hold, Grizzly Hills)
which leads to Filling the Cages (from Samir in Granite Springs, Grizzly Hills)
which opens Truce?
that leads to Vial of Visions
that leads to Subject to Interpretation
leads to Sacrifices Must be Made
which leads to Heart of the Ancients
which leads to My Heart is in Your Hands
which leads to Voices From the Dust
leads (finally) to Cleansing Drak'Tharon (which is a quest for inside Drak'Tharon Keep)

after doing up to Subject to Interpretation and Scourgekabob
(a single quest from Prigmon in Granite Springs, Grizzly Hills)
Seared Scourge opens,
which leads to Search and Rescue (another inside the Instance Quest)
after you do that quest (completed in the instance) Head Games opens and is doable
(use the quest item on the corpse of the second boss).

blunktious -- thanks for the list of prerequisites, it's very handy.

If you happen to be a member of the Alliance, you should replace the quest Good Troll Hunting with the Alliance version, Troll Season!. The rest of the quests are shared between factions.

At step 7, this is a good area to also do the A Bear of an Appetite quest. Head toward the sea to sea schools of the fish you need.

It seems like the troll you catch during ! Filling the Cages is in fact Drakuru. You see him for quite a while and even get an achievement, Guru of Drakuru, after doing all related quests for him. Really fun quest-chain and interesting story involving a certain fan-favorite villain!
