- 64 Talk to the female troll standing a couple of yards away to buy the imbued vials, then head due north towards the lake, on the way stop to collect 3x Haze Leaf, once you hit the lake just kill a couple of the Threshers and then collect one of the weeds.

- 32 Just a heads up from this post in case someone misunderstand's it, You don't get it from the Tresher but the weed floating around in the water :-)

1 The Threshers were evade bugging like mad too, just a pain and nothing that will stop you from getting this quest done.

- By Krazen (2,593 - 1438) on 2008/08/29 (Patch 3.0.1)
- 31 Waterweed Frond found at 14,40 in the water.
Haze Leafs found around 13,41 and on the other side of the river at 13,39.
You can purchase the vial at the female troll in the camp where Drakuru is.

- 9 Haze leaf, is obviously a reference to marijuana and Water weed is a reference to hydroponic growing. The Jamaican sounding troll wants you to get "Haze leaf" and "Water weed" for a potion so you can have "visions". Then he asks "you got the stuff?" lol. Blizzard is getting more creative with these quests in this expansion.

- 0 the Haze leaves grow a little north west of the camp, near the large tree base.that's where I got mine anyway.

- By 42051 (4067 - 2827) on 2009/03/31 (Patch 3.0.9)
- 0 To prevent the evading, get in melee range. When you hit a mob and it can't hit you back (in this case because it was stuck) it will evade and heal back up as mobs usually do when they evade. So if you just get in close so he can hit you back he will hopefully not evade any more.

- 0 Or you can ignore the evading mob and be happy you can get your Waterweed Frond faster ^^
