Description

Loken killed my wife, turned my followers and me against each other. He took away everything I had, but today... that changes.

Today we reclaim our sacred grounds. Today... Loken dies.

Meet me on the bridge near the Temple of Wisdom, just southwest of Ulduar. I will finish this one way or the other.

I need you there as a witness. You will not aid me -- this is personal.

After it's done, send word to Jokkum, King of the Frost Giants. He's a good friend and will know what to do.
