Here's the backstory for Korrak the Bloodrager.

> *Korrak the Bloodrager (also known as Korrak the Everliving) is a dire troll who used to inhabit Alterac Valley. He and his band of Ice trolls, the Winterax tribe, once controlled the Snowfall Graveyard at the start of every Alterac Valley battleground. He also dropped [Skull of Korrak] which was the objective of both an Alliance and a Horde quest.*
>
> *Korrak once even controlled the Field of Strife in the middle of the valley. Later on he left and took up residence near a neutral troll graveyard after an avalanche nearly killed his tribe. Korrak and the Winterax Trolls have since left Alterac Valley for greener pastures.*

This is the Ring of Blood of Northrend apparently. (Check This post @ mmochampion for screenshots.)

According to the quick research I did, these are the order of the quests, from first to last:

The Amphitheater of Anguish: Yggdras!
The Amphitheater of Anguish: Magnataur!
The Amphitheater of Anguish: From Beyond!
The Amphitheater of Anguish: Tuskarrmageddon!
The Amphitheater of Anguish: Korrak the Bloodrager!
The Champion of Anguish

Talk about blast from past... Back when one AV could last anywhere between 6 and 32 hours to finish, this guy was in Snowfall GY. The usual routine consisted of <insert faction> getting him to 25-50% after which the other faction proceeded to slaughter them with the help of Korrak, who then turned on the other faction...

Epic waste of time ^^

Do you get a large amount of experience doing this quest as we did for ring of blood? I havent seen it mentioned and wowhead isnt showing it in the normal spot.

> According to a guildie of mine, it's a little less than 1/3rd of a level from 76 to 77. Basically six elite quests at around 35-40k xp each, if you extrapolate form the gold amounts, which seems about right.

> Uhh, no. I did this at level 76, and got 20k per quest but 30k from the final one. I didn't even get two full bars.

> I did every quest up to this one and got 32100XP each, no xp-heirlooms.

I found him pretty much impossible to solo, because of his stacking +10%dmg buff. lvl76 Blood DK in best possible tanking blues - got him to ~50%hp, where I could no longer heal his dmg on myself. However, it should be noted: I neither had Mark of Blood nor Imp.Blood Presence talented.

Think he were removed because he just didn't fill any purpose of PvP, just like how they removed all lieutenants etc. And he wasn't really that hard, the start of every AV was "charge Korrak!" and that was the end of it. Lots of ganking eachother while they were trying to kill him, instead of focusing on the BG itself ^^

A level 80 feral druid and I (level 75 resto druid in t6) two-manned this, and... man, it was a real ball-cruncher.

First of all: He has growths. He maxes out at 10 growths, 100% damage to the tank, and grows every... minute? But this was actually very easy to heal through with something like 1300 healing and 243imp5.

The enrage caught me off-guard, so not only is he at +100% damage, but his enrage is +100% swing speed too. But bombing regrowth while I ran on an innervate pulled the tank through to the end.

Pretty neat fight, wonder how level 75s would do this, though.

> Probably the hardest boss to duo with indeed... First try me (75 Holy Paladin) and a 76 DK (I think he was using blood aura, but I'm not 100% sure...) I got caught off-guard for the Enrage and he died shortly after, 2nd try I spammed Holy Light most of the time below 20%, ended up with hardly 2000 mana but he went down ^^ So that's how lvl 75/76's deal with it ;)

hey guys, Doing this quest the other day out of group i found this mob gave me 30k exp per kill. So heres the idea, Why dont you get your friends to help out leave party, accept the quest. Kill the mob get 30k+ exp abandon the quest rinse repeat.

recap.

1. Kill all mobs leading to this one
2. Leave party
3. Start quest.
4. Tag the mob, and let your group kill him.
5. Profit exp
6. Abandon quest.
7. Repeat 3-6

This sould take 2 minute max per kill. 40 kill per hour, 900k exp per hour! beat that.
