You lookin' for some real action, buddy? 'Cause if you are I got the hottest ticket in town.

Ever heard of Gurgthock and Wodin? Goblin and troll who ran the Ring of Blood back in Outland? Well they're here in Northrend and they've started up a whole new fight club over in Zul'Drak. If you're interested go to Zul'Drak, east of Crystalsong. There's at the big arena in the center. Tell 'em Shifty sent ya!

47 This quest *does* count toward the ZulDrak achievement. Therefore, whatever you do, do not do the Amphitheater without it. You may be one of those stuck at 99/100, otherwise.

1 Yup, I'm stuck at 99/100 with all quests done count done, including drops...but I was summoned to the amphitheater instead of getting the quest sending me there. I'q fairly certain Blizzard will retroactively credit 99/100 players with

1 - 16 of 16

3 However, if you look at the quest list, you'll find that many of those are dungeon quests which do not count toward the title, are an item chain that clashes with another (depending, I think, on whether you did the Grizzly Hills Drakuru questline or not), are from another area and thus don't count toward ZulDrak, or are just plain misplaced. Of the ones I counted that do not fit the above criteria, a number of the quests are breadcrumb quests which do count but which cannot be obtained after doing the quest those crumbs would have led to.

5 99/100 here and I need the achievement to get a tailoring recipe. I screwed up on another opportunity to get my 100 -- husband had done the first part of the necklace quest before I did, and had some of the drink that you're supposed to buy as proof of your costume working. He gave one to me, and I turned it in without even traveling over there. Had I done that, I would have seen/done the quest "Feedin' Da Goolz" and been able to get the achievement.

Nebell on 2009/02/03 (Patch 3.0.8)
3 There are enough quests to complete (as horde) to get Zul'Drak achievement without taking this quests. I have skipped it.

1 Kurasu, beadchaser - there generally are more than enough quests to complete the zone achievements. The only thing holding you back should be you not finding quests you missed..

28 Pick this quest up at level 75 from a Goblin named Shifty in the Dalaran sewer. This quest leads to the Amphitheater of Anguish quest line in Zul'Drak.

8 You could always just use the well on the northern side of Dalaran and fall right into the sewers. Well found at : 48, 32

1 Note: The quest log may not even offer the quest unless you've already done Ring of Blood (and I sure hope you did when you had the chance). It's not necessary though, you can just go to Gurgthock and start the rest of the line.

GNiko on 2009/03/14 (Patch 3.0.9)
16 You do not need to do the Ring of Blood to be offered this quest.

Kptch on 2009/08/23 (Patch 3.2.0)
6 This quest will be offered even if you've done the quest line - for those who are after the seeker or loremaster achievements.

24 You do not need this quest anymore to begin the Amphitheater of Anguish, just go straight to the Amphitheater and the NPC there will begin the quest chain, the same way it is in the Ring of Blood
