Description

It's come at great cost, but we've completed our inspection of the site.

The news isn't good. Nearly everyone has been slain or captured. Only a few veteran guards remain unaccounted for.

The scouts have done all we can here. You must pick up where we've left off.

Sounds of a skirmish are coming from up the hill to the northeast. Have a look, <class>. We can only hope there are some who have survived, and that they may have some intel we can use against this enemy.

If you do the quests from mordun before talking to this NPC you won;t get the quest.

Yes, what Hyle said: this is one of those where the game makes it possible to skip the lead-in quest. If you accept Into Utgarde! from Defender Mordun before accepting this quest, then this quest just won't show up. But if you haven't yet completed Into Utgarde!, then you could just abandon it to get this little lead-in quest for the extra 2k exp...

But then again if you kill 7-10 trash mobs in Utgarde Keep itself you've got the 2k experience back already.

It is entirely probable that this quest won't count towards the total. A blue recently said that quests that you can be made ineligible for by jumping ahead in the chain don't count towards loremaster achievements.

This quest *does* count toward I've Toured the Fjord.

It's likely that, like other "breadcrumb" quests, if you complete the sequel first and become ineligible for this one, it will automatically be counted towards Loremaster anyway.

Apparently Defender Mordun can get killed. I went to his location but there was no yellow ?. Then I noticed his corpse on the ground, and I had to wait for him to respawn. So if you don't see him right away, just wait a few minutes.

Subject: *"Fresh legs"*

This guy is in the NE corner of the camp. You'll go around what looks like the last building on the right (fence straight ahead) and follow the path around to Defender Mordun. You should see the question mark as you go up the path. He gives two Utgarde Keep quests. Coords are noted above: 59,48.

This quest is obtainable at level 69 (and possibly earlier, but I can confirm at 69).

3 Ulterth on 2008/12/07 (Patch 3.0.3)

I was able to get this quest at level 68.
