Description

Your service has been exemplary, <name>, but there is something that is troubling me: the Scourge.

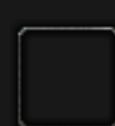

The Light cannot abide their presence, and neither shall we. I hope that it is not asking you too much, but I would have you return north to Gjalerbron and crush the unholy Scourge in that vile lair! Be sure to check for them in the Waking Halls beneath Gjalerbron as well.

Purification is the key to salvation, my child. Make us proud!

64 Fearsome Horror can be found in the underground of Gjalerbron. Entrance 34,13 Deathless Watchers and Putrid Wights can be found on the platform 36,07 (and 38,13). Ensure to pick up The Frost Wyrm and its Master and Necro Overlord Mezhen. Last edited by 18970 on 2008/08/14 (Patch 2.4.3)

0 Correct me if I'm wrong, but Necro Lord Mezhen is Horde only, isn't it?

6 Correcting you. I'm Alliance and I have the quest.

0 Can you post a link to a map showing the entrances please.

By Xrystal on 2022/09/27 (Wrath of the Lich King)

0 The entrance can be hard to spot - it's between the ramps leading up to the area with the large cage of prisoners. Map for those without coords. The Vrykul you need for ! 🐉 Sleeping Giants are in there too, I recommend you kill 5x Necrolord to get 5x Awakening Rod before entering.

6 Note that Deathless Watchers (and Putrid Wights) can be found on either side of middle (not top) platform, on both left and right side. There are 4-5 spawns on each side.

5 The entrance can be found at: 34 . 13

4 Actually... I found a total of nine Deathless Watchers in just one "balcony" so it seems that Blizzard has thrown some more in.

2 Very few spawns for the Deathless Watchers. Can be very difficult to complete this quest in decent time in the next few days. Keep at it, and you'll get it eventually. All the spawns for them are like gargoye statues on buildings. Perching on the edges of the walls surrounding Gjalerbron. There should be 2 spawns on either side of the area, possibly 3.

2 Subject: "Double up the quests" Be sure to also have the quest Sleeping Giants when you go after the Fearsome Horrors. They're done in the same area.
