Description

Finally, someone's come. I've been here far too long and my wits are beginning to fail me. Of our entire recon party, only I remain.

I shall give you my report and it will be up to you to act upon the information. Know this, <class>; it did not come cheaply.

These vrykul are relentless fighters. Given their numbers and their savage tactics, our only hope is to bring down their leader and pray it brings chaos to their ranks.

Ingvar is his name. Bring his head to Anselm when your duty is done.
